Subject: Application for Internship Training – BSc Computer Science with Software Engineering

Dear Sir/Madam,

I am writing to express my interest in applying for an internship training opportunity in the field of computer science with Software Engineering.

I am currently a BSc (Hons) Computer Science with Software Engineering undergraduate at Coventry University, United Kingdom, delivered in collaboration with the National Institute of Business Management (NIBM), Colombo, Sri Lanka. I am presently in my 3rd year of study, have successfully completed all academic requirements up to this stage, and am expected to complete my final year by October 2027.

Through my academic journey, I have developed strong programming and software development skills in **C, C++, Java, Python, C#, SQL, and web technologies**, along with experience in modern tools and frameworks such as **React, Firebase, MongoDB, and SQLite**.

I am highly motivated to gain practical industry experience and contribute effectively to your organization while further developing my technical and professional skills.

I would be grateful for the opportunity to undergo internship training under your guidance. Please find my CV attached and Internship recommendation letter from NIBM for your kind consideration.

Thank you for your time and consideration.

Yours sincerely,

Hiranth Edriyal Dhanamjaya Lakshan Rupasinghe,
